

## Noah

God's creation,  
Was filled with sin.  
God said,  
"I'll just start over again."  
Just one man,  
In the human race,  
Was perfect and just.  
He found grace.  
God spoke to Noah.  
He made it plain.  
"Build an ark, son.  
It's gonna rain.  
Then after that,  
Here's what you do,  
Gather animals,  
Two by two.  
And I also want,  
You to bring,  
Seven animals,  
If they're clean."  
'Cause someday,  
When the weather's nice,  
Noah would want,  
To sacrifice.  
His neighbors would not,  
Get on board.  
Then the hand of God,  
Shut the door.

When the rain fell,  
It was too late,  
For a world full  
Of sin and hate.  
But because God,  
Noah trusted in,  
He was saved,  
from this world of sin.  
There's just one way,  
To be saved today.  
For Jesus said,  
"I am the Way."  
Pray today.  
He's our only hope.  
Trust in Jesus.  
Don't miss the boat!
