

JESUS HEALS PETER'S MOTHER-IN-LAW

Matthew 8:14–16

One day Jesus went to Peter's house with some of His disciples.

Peter's mother-in-law was sick with a fever. Jesus touched her hand and immediately she was well. The fever left her. She got up out of bed and began to serve Jesus and His disciples.

That evening many people were brought to Jesus who were sick or possessed with devils. Jesus cast out the evil spirits with His word and healed all the people that were sick.

Jesus had compassion on all those people because He loved them. Jesus loves us too. When we are sick or troubled, we should go to Jesus.
