

The Man Who Was Blind Since Birth

Matthew Chapter 9

One day Jesus and His disciples passed by a blind man. The disciples asked Jesus, "Who sinned, this man or his parents, that he was born blind?"

Jesus said that neither he nor his parents caused him to be blind.

Jesus spit on the ground and made clay with it. He put it on the blind man's eyes and told him to go wash in the Pool of Siloam.

The man did as Jesus said. When the man washed his eyes, he was able to see for the first time in his life.

When his neighbors saw the man who could now see, they weren't sure it was really him. Some people thought it might just be somebody that looked like him. The man told them "It's really me."

The people asked him how he could now see. He said, "A man named Jesus made clay and put it on my eyes. He told me to wash in the Pool of Siloam. When I washed, I could see."

The Pharisees didn't like Jesus, so they didn't believe the man. They called in his parents and questioned them.

His parents said, "He is our son. He was born blind. We don't know how he can now see. Ask him."

Again, the Pharisees questioned the man who had been blind, but they still didn't believe him and sent him away.

After that, Jesus found the man and asked him, "Do you believe on the Son of God?"

The man answered, "Who is he, Lord, that I might believe on him?"

Jesus said, "You have seen Him and He is talking to you."

The man knew that Jesus was speaking of Himself and said, "Lord, I believe," and he worshipped Jesus.

It's very sad that the Pharisees didn't believe Jesus is the Son of God. The man who Jesus healed believed. He worshipped Jesus.

There are people today who don't believe Jesus is the Son of God. We should still worship Jesus, and love Him, and serve Him, and tell others about Him.
